Volume XII, Number 10

October, 2009

SeniorNet Computer Users' Group Thursday, November 12, 1:00 PM – 4:00 PM

We invite you to attend SeniorNet's *Computer Users' Group* free-admission meeting at the Joan and Alan Bernikow Jewish Community Center. We will have the pleasure of hearing Mr. Don Oshinsky explaining and demonstrating the use of Adobe Photoshop Elements, as well as having other SeniorNet instructors give short (five-minute) descriptions of the SeniorNet courses they teach.

We welcome all previous and current SeniorNet students, the community, and our (over 50) friends to this gathering.

As in the past, we'll have free refreshments and respond to your questions, and will award SeniorNet clocks as door prizes at the conclusion of the meeting.

Incidentally, if you haven't been receiving our quarterly bulletins and applications but would like to (with no obligation on your part, of course), please indicate that you'd like to be added to our mailing list when you complete the door-prize coupon. We look forward with pleasure to meeting you at our forthcoming meeting.
